

Take my hand
and start a brand new day.

And together as one
we'll start to see some change.

So take my hand
and start a brand new day.

Yeah united as one
we'll be stronger in every way.

So take my hand
and start a brand new day.

Yeah united as one
we'll be stronger in every way.

Take my hand
It will be alright

Take this love
And you'll see all the beauty inside
